

Current Price Guide

- Hand crafted bevelled (2mm, 3mm, 4mm, 5mm & 6mm thick) flat or convex glass available on request or copied from your original pattern.
- Glass bending service - curved glass for oval carriage/4glass clocks and square/rectangular convex glass as special orders (phone for details).
- 'White/clear' glass supplied at extra cost for those special carriage clocks.
- Fancy watch glasses supplied by special arrangement.
- Each glass receives individual attention and most work (dependant on volume) is completed in 14 - 28 days. We also provide a 'unique' **Express Service** (01905422616) where **urgent orders** are processed within **3-5 working days** of receipt - **charged at an extra 30% per item**.
- Orders carry **no V.A.T.** and are despatched via your individual posting requirements - (actual charge dependent on size and weight).
- All prices below are minimum and maybe higher for items that require extra attention. Whilst every effort is taken to accurately copy your original glass, actual fit cannot be guaranteed unless frame or bezel is supplied with your order. We can take no responsibility for orders damaged in delivery.

Thank you for your continued custom and kind comments about our work. Best wishes - Gary, Judith, Max and Josh Long.
